

MAKING YOUR MASTER DRAWING, or PLAN

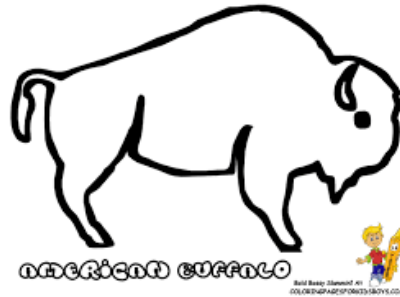

1. Design mitaeros
in these 4 squares.
USE PENCIL

Can't draw? HINT: GOOGLE

[whatever you want] COLORING PAGES

SOMETIMES, simple images work :

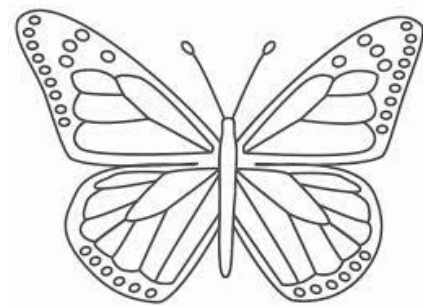

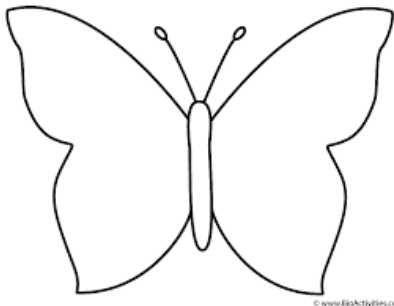

Other times, they're kind of boring to tool and need a little pizzazz....

AND you need to be careful of TOO MUCH detail, too!

This is a cool idea, but would need simplifying.....

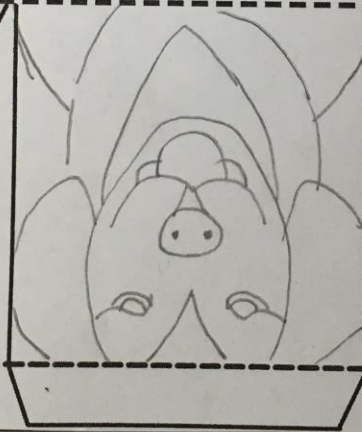

Pencil your milagro plan on the mater worksheet provided.

Be sure
they face
the
bottom

← LOOK !!

BOTTOM

2. Fill the space!
Too small is wrong.
Have nice interior details
to tool.
